

Management Team

Eike Walters **Chief Financial Officer (CFO)**

Eike Walters is Chief Financial Officer (CFO) of Tele Columbus AG and member of the management board (Initial appointment: 07/2018; Appointment ends: 11/2023). In his role as CFO he is responsible for Accounting & Tax, Controlling, Logistics & Procurement, Legal and Investor Relations.

Since November 2007, Eike Walters held various leading financial functions at Tele Columbus Group and has been Director Controlling between 2014 and 2018. As part of this role, he led the commercial steering as well as several important strategic projects. In this function, Eike Walters significantly contributed to the successful financial restructuring as well as the IPO of Tele Columbus AG. Furthermore, Eike Walters was intensively involved in the acquisition of pepcom and PrimaCom.

Before joining Tele Columbus Eike Walters was working for a mid-sized real estate company where he held roles in controlling and as head of accounting. Eike Walters holds a degree as a commercial engineer from the Technical University of Braunschweig.
